2. WUBOX IFH International Championship 2022 - Ronco all`Adige

Dear boxer friends!

I am already looking forward to this event and it is a great honour for me to be able to welcome you to the 2nd WUBOX IFH International Championship in Italy. The Boxer Club Italy has always been a reliable partner when it comes to taking on and organizing performance events, so my heartfelt thanks to the board of B.C.I., as well as to the organizing Cinosport Verona team for the organization. We can assume that Arturo Spada and his team will create a great, typically Italian event - with a lot of heart, passion and understanding!

Of course, we also have to thank the landowners around Ronco all`Adige, who make their meadows and fields available to us so that we can practice our sport at all. I think everyone will feel at home in Italy, we're looking forward to an exciting championship with 25 teams from 7 nations.

I would particularly like to welcome the two nominated judges, Uwe Petersen from Germany, and Andreas DeGaspari from Austria. I wish both judges a lot of fun at work and a good eye in the evaluation.

As the person responsible, I wish the event a friendly, harmonious course and all of us a nice boxer weekend with like-minded people.

Liebe Boxerfreunde!

Ich freue mich schon auf diese Veranstaltung und es ist mir eine große Ehre, Sie in Italien zur 2. WUBOX IFH Internationale Meisterschaft begrüßen zu können. Der Boxerklub Italien war immer ein verlässlicher Partner, wenn es um die Übernahme und Organisation von Leistungsveranstaltungen geht, deshalb mein herzlicher Dank an den Vorstand des B.C.I., sowie an das ausrichtende Cinosport Verona - Team für die Organisation. Wir können davon ausgehen, dass Arturo Spada und sein Team ein großartiges, typisch Italienisches Turnier gestalten werden - mit viel Herz, Leidenschaft und Verstand!

Natürlich müssen wir uns auch bei den Grundeigentümern rund um Ronco all`Adige bedanken, die uns ihre Wiesen und Felder zur Verfügung stellen, damit wir unseren Sport überhaupt ausüben können. Ich glaube alle werden sich in Italien wohlfühlen, freuen wir uns auf eine spannende Meisterschaft mit 25 Teams aus 7 Nationen.

Besonders begrüßen möchte ich die beiden nominierten Leistungsrichter Uwe Petersen aus Deutschland und Andreas DeGaspari aus Österreich. Ich wünsche beiden Richtern viel Spaß bei der Arbeit und ein gutes Auge bei der Bewertung. Als Verantwortlicher wünsche ich der Veranstaltung einen freundschaftlichen, harmonischen Verlauf und uns allen ein schönes Boxer-Wochenende im Kreise von Gleichgesinnten.

Welcome by Roberto Crosa, President of Boxer Club d'Italia

Dear boxer friends, I send a very warm welcome to all of you at the Wubox IFH International Championships 2022. In Italy, as well as in many European countries, it is a positive time for the working sector and consequently also for the IFH discipline. It makes me doubly enjoy for the fact that we can show how the boxer is a dog competitive, family-friendly, health-controlled, motivated and balanced in character. The European breed Clubs are tasked with staying at the forefront to protect the qualities dictated by the Boxer Standard, on which the Boxers will forever continue to satisfy people's taste and attract many Boxer lovers to events like this one.

During these three days you will be faced with a lot of hard work together with your Boxer, however I am sure that you also will be happy and have fun.

Before concluding, I would like to thank each of you for taking part at the second edition of the "Wubox IFH International Championship", which takes place in the Veneto region at the village Ronco all'Adige, in the province of Verona, which is a city famous all over the world for its artistic and cultural heritage, which I hope you have time to visit before leaving.

My sincerest thanks to the leaders of the organisation Arturo and Mirco Spada, together with the most active members of the Veneto Group, for offering their resources and experiences to prepare the way for an increasingly sporting future and the international events. You are a great resource. My personal respect and thanks go to all the Boxer lovers present here.

Boxer for ever
Roberto Crosa

Cari amici boxeristi, invio a tutti voi un caloroso benvenuto al Campionato Internazionale Wubox IFH 2022.

In Italia, così come in molti Paesi europei, è un momento positivo per il settore addestramento e di conseguenza anche per la disciplina IFH. Questo mi fa doppiamente piacere per il fatto che possiamo dimostrare come il boxer sia un cane competitivo, adatto alla famiglia, controllato nella salute, motivato ed equilibrato nel carattere. I club di razza europei hanno il compito di rimanere in prima linea per tutelare le qualità dettate dallo Standard del Boxer, in base al quale i Boxer continueranno, per sempre, a soddisfare i gusti delle persone e ad attirare molti amanti della razza a eventi come questo.

In questi tre giorni dovrete affrontare un duro lavoro insieme al vostro Boxer, ma sono sicuro che anche voi sarete felici e vi divertirte.

Prima di concludere, vorrei ringraziare ognuno di voi per aver partecipato alla seconda edizione del "Wubox IFH International Championship", che si svolge in Veneto presso Ronco all'Adige, in provincia di Verona, città famosa in tutto il mondo per il suo patrimonio artistico e culturale, che spero abbiate il tempo di visitare prima di partire.

Ringrazio i responsabili dell'organizzazione Arturo e Mirco Spada che, insieme ai soci più attivi del Gruppo Veneto del BCI hanno messo a disposizione le loro risorse ed esperienze, al fine di aprire la strada a un futuro sempre più sportivo e agli eventi internazionali. Siete una grande risorsa. Il mio personale rispetto e ringraziamento va a tutti gli amanti del Boxer qui presenti.

Boxer per sempre
